**Re: MUR 3774 - National Republican Senatorial Committee
and Stan Huckaby, as treasurer**

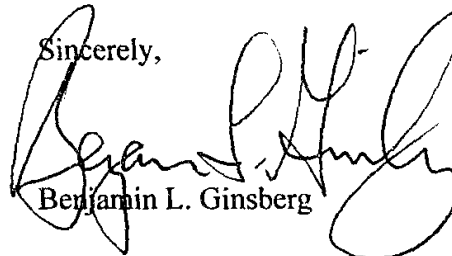

Dear Ms. Odrowski:

As we discussed last week on the telephone concerning the above-referenced matter, Respondents anticipate answering each Interrogatory from the Commission and providing all the responsive documents in their possession by October 16, 1995. As I mentioned, there are some employees who we believe may have performed ministerial tasks such as cutting checks and acting as messengers that we have not yet been able to contact. The responses may have to be amended to some minor extent in the future if we develop any further or different relevant information.

As I also mentioned, Respondents would like to request an extension until October 30, 1995 to submit their response to the Commission's Factual and Legal Analysis. This extension is needed because of the voluminous nature of the Commission's discovery request, and the need to prepare a thorough response.

Thank you very much for your consideration.

Sincerely,

Benjamin L. Ginsberg
